Mary Star OF THE Sea
Elementary & Middle School

Syllabus: 2026-2027 Grade 4 Religion

Welcome to Grade 4! I am excited to partner with you this school year. This syllabus provides an outline of what we will learn, classroom expectations, grading policies, and the support you can expect throughout the school year. We will work together to create a class community where every student is encouraged, challenged, and inspired to grow academically and spiritually.

Mary, Star of the Sea School Mission Statement:

Nurture, Unite, Inspire. We are committed to nurturing each child's curiosity, uniting our classroom in respect and collaboration, and inspiring every student to grow in knowledge, faith, and wonder for the world around them.

Religion Course Overview:

Students will deepen their understanding of Scripture, Catholic teachings, prayer, and moral decision-making while growing in their relationship with God.

RELIGION GRADING POLICY:

- **30% Assessments** (Oral/Written Tests and Quizzes)
- **30% Classwork**
- **15% Prayer and Reflection Activities**
- **15% Participation/Homework** (Group Prayer, Open Discussion)
- **10% Projects and Presentations**

*Parents, please note: You will have access to my electronic grade book, via your Beehively account, which will be the method of communicating your child's academic performance.

Beehively will serve as the primary source for monitoring grades, missing assignments, and academic progress throughout the school year.

REQUIRED MATERIALS:

Students should bring the following materials to Religion each day:

- Children's Bible
- Erasable pen, pencil, eraser and highlighter
- School-issued iPad (*with access to Google Classroom*)
- School planner

SUPPLEMENTAL MATERIALS- TEXTBOOK:

- Blest Are We Second Edition: Faith in Action
- The Catholic Children's Bible

HOMEWORK POLICY:

As per school policy, students are expected to allocate time for a maximum of 40 minutes of homework per night. Your child's 4th grade teachers will work together to ensure that the students receive a balanced homework regime aimed to create a positive learning environment that nurtures students' intellectual growth. Students are expected to record assignments daily in their school planner. Homework and important reminders will also be posted on Google Classroom for students and families. Parents are expected to check the student's planners daily, support their child in time management and follow through.

Late work will be accepted; however, submitting assignments on time is an important part of developing responsibility. Late submissions may affect a student's participation grade.

CLASSROOM EXPECTATIONS:

- Students come to class prepared and ready to learn each day.
- Homework should be completed on time. If circumstances prevent completion, students should communicate with the teacher in advance so that an appropriate plan can be made.
- Everyone is encouraged to participate by asking questions, contributing ideas, and seeking clarification from the teacher when needed.
- We will treat ourselves, one another, and school property with respect and responsibility.

ACADEMIC INTEGRITY:

Honesty and integrity are essential values in our classroom. Teachers have the responsibility to:

- Structure conditions during testing to alleviate the possibility of cheating
- Specify the types of collaboration that are discouraged and those that are encouraged
- Teach students summarization of material and the distinction between summarizing and copying straight from the text

Students have the responsibility to:

- Avoid situations that might contribute to cheating or plagiarizing
- Avoid unauthorized assistance
- Use sources in the prescribed manner outlined by the teacher

ABSENCES AND TARDINESS

Students may remain at home in the case of illness, accident, quarantine, or because of a death in the family.

The teacher will help the student make up for missing assignments after a short absence. When the absence is expected to be prolonged, families must notify the teacher so that a plan can be developed for completing missing work. Repeated or prolonged absences might work against the student's academic progress and possibly the student's right to continue in attendance.

Students are marked tardy after the 7:45 a.m. bell rings. Explanatory notes from parents and conferences with parents may be advisable.

FOOD AND DRINK

- Food is prohibited in the classroom unless otherwise specified by the teacher.
- Drink in the classroom is limited to water in a bottle with a sealed lid.
- Sharing food is not permitted to prevent the spread of allergies and ensure adherence to dietary restrictions.

TECHNOLOGY

- To minimize distractions and maximize learning, communication with students during the school day should be limited to emergencies.
- Student cell phones must remain off and in backpacks for the duration of a school day.
 - This policy also applies to student smart watches (i.e., Apple Watches, Gizmo's, FiLIP's, etc.)
- If a student is in violation of this policy, the discipline will be as follows:
 - 1st Time Offense- Warning
 - 2nd Time Offense- Phone will be sent to the office for student pick up from the Principal
 - 3rd Time Offense- Phone will be sent to the office for student pick up from the Principal and parent will be notified
